READING

Read the given passage and answer the questions given below:

Mother, your baby is silly! She is so very childish! She does not know the difference between the lights in the streets and the bright stars.

When we play with pebbles, she thinks they are real food. She even tries to put them into her mouth.

When I open a book before her and ask her to learn her a b c, she tears the pages with her hands and roars with joy at nothing. This is your baby's way of doing her lessons!

1) Who is silly in the passage?

2) Does she know the difference between the lights and stars?

3) What does she think about pebbles?

4) What does she try to do with the pebbles?

5) What does the baby do with the book?

6) What does her brother ask her to learn?

7) Complete the line:

This is your baby's way _____

8) Pick out the rhyming word from the passage.

Hilly - _____

9) Find out one noun from the passage.

10) Pick out plurals for the following:

Pebble - _____ Star - _____

UNSEEN PASSAGE

Read the following passage and answer the question that follows. (10x1=10)

We must follow certain rules in order to maintain good health. Our diet should include plenty of vegetables, fruits, and milk. We should not have too much of fatty food and sugar as it leads to obesity and ill health. We should eat small meals, and drink a lot of water. Water is very essential for our body growth. We must keep ourselves busy with our studies, games, and hobbies. Our day should be disciplined. We should have a time fixed for everything. A disciplined manner should be our way of life, only then will we be able to enjoy the work we do. After a hard day's work, we will be able to have a good night's sleep which is restful and refreshing.

HANDWRITING

1. Write the paragraph neatly in cursive writing.

The word 'YOGA' originates from Sanskrit and means "to join , to unite". Yoga exercises have a holistic effect and bring body , mind, consciousness and soul into balance. Yoga in daily life is a system of practice consisting of eight levels of development in the areas of physical, mental, social, and spiritual health. When the body is physically healthy, the mind is clear, and focused.
