HANDWRITING:

Rewrite the following in neat handwriting-(5)

The Himalayas are a wonderful line of mountains. The mountains are huge, steep and snow-white. If you see them, you will never forget their beauty. Sometimes we call the Himalayas 'the roof of the world' because they are the highest mountains on earth. In 1852, the Survey of India measured the height of the mountains. It found that Mount Everest was the highest mountain in the world.
